

**REPORT/ RECOMMENDATION TO THE BOARD OF COMMISSIONERS OF
ARAPAHOE COUNTY PUBLIC AIRPORT AUTHORITY AND
RECORD OF ACTION**

April 14, 2022

FROM: Jeremy Gunn, Director of Operations

SUBJECT: Shared purchase of two aircraft rescue and firefighting (ARFF) apparatus as described in the Second Amendment to the Agreement with South Metro Fire Rescue (SMFR).

RECOMMENDATION: Motion to conditionally approve the Second Amendment to the Agreement with South Metro Fire Rescue for the Provision of Firefighting and Rescue Services at Centennial Airport upon final review by legal counsel and approval by the SMFR Board of Directors and authorize the chair to sign.

BACKGROUND: The two primary pieces of ARFF equipment currently utilized by SMFR to respond to airport accidents and incidents are beyond their 20-year life cycle and need to be replaced. Based on significant research and due diligence, SMFR and Airport staff have selected Front Range Fire Apparatus to deliver two (2) Oshkosh Stryker 4X4's. The total cost of the apparatus is not to exceed \$2,000,000 and will be split equally (50%-50%). SMFR will be responsible for operating, housing, equipping, maintaining and insuring the Stryker's.

FINANCIAL DATA: Sufficient funds for the purchase are available in the 2022 budget.
